AS FOREIGN LANGUAGES DEPARTMENT

About Foreign Languages Department

We, the faculty members of the Department of Foreign Languages at Fenerbahçe University, have made the use of technology, interactive assignments, hands-on experiences, teamwork and collaborative presentations a part of education and training in the light of our educational philosophy.

Our dedication to excellence aligns with the fundamental principles of the Common European Framework of Reference for Languages (CEFR). Through this framework, we present you with an effective approach that enables language proficiency and fluency while appreciating cultural diversity. Further, we take pride in our expert faculty, who teach and guide you in accordance with such esteemed standards as CEFR.
